

3mm bleed, this will be removed when printed

Keep important text & images out of the area

Place your design within 'Artwork' layer and delete 'Guide' layer once finished.
Failure to remove guide layer will result in template printing over artwork design.

A5 Landscape

FRONT

210x148mm

Please ensure:

- Colour: CMYK (RGB will be converted)
- Fonts: Embedded or converted to outlines
 - Image Resolution: 300dpi or higher
- Crop marks and 3mm bleed are included
 - Accepted format: PDF (one file)

Safe Zone

We recommend keeping text and images out of the blue area, remaining in white box.

Finished Size

This is the finished size of the product once trimmed

3mm Bleed

Please extend your artwork into the bleed if you are using full colour or imagery in the background. Anything within this area will be removed once trimmed.
